**RE: Advisory Forum on Partnerships with Patients**

Dear Prof Chetty

Thank you for your application to be a member of the Advisory Forum on Partnership with Patients. We received over 40 applications for the Forum and we are happy to confirm that your application was successful.

It is expected that the Forum will first meet in early 2015. In the meantime we will be setting up a group for the Forum on LinkedIn and you will receive an invite to join this group very soon. The focus of this will be to learn what your particular country issues are in regard to patient centered care.

Thank you again for your application. The Advisory Committee on Partnerships with Patients look forward to working with you.

If you have any questions please do not hesitate to contact me.

Best wishes
